INVESTING FOR THE FUTURE

Agency funds are a simple way for a nonprofit organization to build an ongoing source of income to support its mission and provide an easy way for donors to contribute.

Benefits

PROFESSIONAL FUND MANAGEMENT

Our financial team, along with our seasoned investment committee, invests funds in a balanced portfolio for long-term support of your organization.

LEVERAGING THE COLLECTIVE INVESTMENT

By placing funds in the larger investment pool of the Community Foundation, your organization is provided with the potential for greater returns at a lower cost.

ONLINE ACCESS

Easily access fund activity and monthly statements through your secure and private online dashboard.

GIFT ACCEPTANCE & FUND ADMINISTRATION

Non-cash gifts such as stock and life insurance can be made into your organization's fund. We process all gifts and provide the proper tax acknowledgement to donors.

ONLINE GIVING

You can link your organization's website to a customized page on our website so donors can make easy and safe credit card contributions directly to your organization's fund.

An Agency Fund can be established with a minimum contribution of \$10,000. Administration fees are 0.8% or \$200 annually.
