

Capacity Building Recipients Spring 2024

Applicant	Project	Summary
Brain Center of Green Bay	Mission/Vision/Values Work	The Brain Center of Green Bay seeks funding to build organizational capacity by updating the organization's mission, vision, and values through a strategic process given their experienced significant growth in staff and volunteers for the past 7 years.
Center for Childhood Safety	Center for Childhood Safety Strategic Plan	The Center for Childhood Safety is requesting funding to hire a strategic planning consultant to help guide CCS through its next stage of growth over the next 3 - 5 years. Given its growth in programming since 2019, the organization is at a critical time to determine priorities in regard to programming, services, and staffing.
CollegeReady	NEW Scholars Program	CollegeReady is seeking financial support to launch and implement an all-in-one database management platform for its NEW Scholars program, which will allow the organization to increase their ability and efficiency to track student data, monitor outcomes, and improve communication with both students and parents.
Connections for Mental Wellness	Connections for Mental Wellness Sustainability Strategy	Connections for Mental Wellness seeks funding to build organizational capacity through a collaborative design process to define, decide and execute a sustainability plan for their coalition. The organization's goal is to arrive at a strategically viable model that ensures the long-term success of collective impact driven change for Brown County's state of mental well-being.
Freedom House Ministries	Strategic Planning Facilitation	Freedom House Ministries seeks funding to complete a strategic plan that is informed by the changing donor landscape and understanding of the future business/community environment which will assist the organization in growth and sustainability for the future.
Journey to Adult Success	Journey to Adult Success	Journey to Adult Success is requesting funding to launch and implement a data system that will track their organization's processes from the beginning of an intake to when a resident is discharged. This will allow the organization to better organize, track results and outcomes, and report more effectively to funders and the community.
Latino Professionals Association of NEW	Enhancing LPA's Online Presence and Website	LPA requests funds to enhance their online presence. An improved website design will allow the organization to improve their ability to reach, engage, and serve members and regional organizations.

Midwest Survivor Institute	When Helpers Need Help	The Midwest Survivor Institute requests funding to support the facilitation of a formal strategic planning process to bring a variety of stakeholder entities together with the institute's board of directors and a regionally knowledgeable facilitator. Funding will elevate the work of the organization in building community partnerships and lay needed groundwork to create future sustainability.
Richard Mauthe Center for Faith, Spirituality, & Social Justice	Strategic Planning for the Mauthe Center	The Mauthe Center requests funding to support a strategic planning process, facilitated by a professional consultant. It will engage staff, constituents, and members of both the Mauthe governing board and the Ecumenical Foundation in the development of a strategic plan and a marketing/communication plan.
Skantikulat	Strengthening Fundraising and Strategic Planning Capacities	Skantikulat seeks funding to enhance its fundraising development and strategic planning capacities. This request aims to build the organization's capacity for sustainable growth and maximize its impact in the community.
Violence Intervention Project	Violence Intervention Project	The Violence Intervention Project is requesting funding to assist with creating a marketing and brand development plan. This next process will assist VIP in communicating a message that engages the community on a deep level, broadens awareness of VIP's valuable services and prepares the organization for fund development.
YWCA of Greater Green Bay	Strategic Planning	YWCA Greater Green Bay is requesting support for an intensive strategic planning process. This will allow the organization to gain a clear roadmap for the next 3 years to align programs with community needs and organizational strengths, areas to prioritize for organizational development, and realignment of their business model.
