Crime Prevention Foundation Summer 2026 Grants

Applicant	Project Name	Summary
Big Brothers Big Sisters of Northeast Wisconsin	Youth Mentoring Program	Funding will support both new and existing Big/Little matches in the one-to-one youth mentoring program in Brown County, with continued emphasis on recruiting male mentors because of Little Brothers who make up the majority of the waitlist.
Boys & Girls Clubs of the Bay & Lakes Region	Career Exploration & Leadership in Pop-Up Barber Shops	Funding will support pop-up barber shops, held at both of Green Bay Clubhouses, offering free haircuts to Club members during Family Nights throughout the school year and opportunities for Club teens to explore the beauty industry as a potential career option thru field trips.
Brown County Jail Ministries	The Brown County Jail Reentry and Crime Prevention Coordination Initiative	Funding will support the Reentry and Crime Prevention Coordination Initiative. The initiative aims to reduce recidivism, strengthen successful reintegration, and contribute to a safer Brown County.
Casa ALBA Melanie, Hispanic Community Resource Center	Sober Roads. Safe Communities. Caminos Sobrios. Comunidades Seguras.	In coordination with the Green Bay Police Department, funding will launch a bilingual community focused campaign that blends education and enforcement that aims to raise awareness of OWI consequences to build safer communities.
CASA of Brown County	Preventing Future Crime Through CASA Advocacy	Funding will support volunteer recruitment and training so every child entering the child welfare system is quickly matched with a trained advocate. This investment builds a strong volunteer pool, reduces or eliminates waitlists, and ensures youth have consistent adult support during trauma.
Empowered Tutoring	Shoulders-to-Stand-On Green Bay Southwest High School	Funding will support one-on-one tutoring and mentoring services for Green Bay Southwest High School students involved in extracurriculars, who, due to poor grades, are in danger of being suspended from participation in those activities.
Foundations Health & Wholeness	Turning Pages, Changing Paths: Literacy and Reflection for Youth Success	Funding will support the Turning Pages, Changing Paths: Literacy and Reflection for Youth Success, a crime prevention initiative for youth in the Youth Services program. Through this program, youth will build emotional regulation, communication, critical thinking, and goal-setting skills.
Girl Scouts of the Northwestern Great Lakes	Girl Scouts: Reaching Out in Brown County	Funding will support Reaching Out programming in Brown County which provides youth with a roadmap to resiliency by arming them with skills they need to make healthy choices, build supportive relationships, and live according to their values.
Green Bay Preble High School	Green Bay Preble Challenge Day	Funding will support Challenge Day in the fall of 2026. During Challenge Day, previously trained students and staff will work with 100 new students from all different interests and areas to cultivate unity, inclusivity and a sense of belonging through meaningful conversations and by providing opportunities for students to advance their leadership skills with the goal of improving school culture at Preble.
HER Alliance	Programming Hub	Funding will support the expansion of the Programming Hub, creating a safe, trauma-informed space where vulnerable youth and women at risk of sex trafficking can build protective factors through prevention education, life skills, mentoring, and community connection.
Jackie Nitschke Center	JNC Residential Program	Funding will provide operating support for the residential substance use disorder treatment program. By providing evidence-based treatment, mental health services, and recovery support for individuals involved in or at risk of entering the criminal justice system, JNC addresses the root causes of crime, reduces recidivism, and builds safer, healthier communities.
Rise Up Athletics	Rise Up Athletics 2026 Programs	Funding will support the operational costs needed to maintain the programs currently offered for baseball season, football season, basketball season and volleyball season as well as a bus needed to aid in transportation that allows children to participate that may not otherwise be able to.
Salvation Army Green Bay	Community Assisted Membership	Funding will support the Community Assisted Membership program at The Salvation Army Ray and Joan Kroc Center to ensure equitable access to community, sports, and recreation.
Volunteer Center of Brown County	2026-27 Reading Coaches for Kids	Funding will support the Reading Coaches for Kids program. This program is a one-hour per week tutoring program aimed at boosting literacy among K-5 students in Brown County schools.
